WELCOME TO MANHEIM!

Founded in 1762 by Henry William Stiegel and named after Mannheim, Germany, Manheim is a historic small town with a renewed creative energy. For decades, and even centuries, Manheim has been known for glasswork, farming traditions, football prowess and the auto auction. With the recent tradition of artists, entrepreneurs, restaurateurs and wine makers, we have even more to share with you! Just outside of town, enjoy nationally known attractions and a vibrant countryside.

Must see downtown Manheim attractions include: The Keath House and The Fasig House, two beautifully restored log homes and the Stiegel Glassworks at the historic train station. You'll also find a cozy cafe, an award winning PA wine tasting room, Glasshouse Wineworks, and unique retail and artist experiences...all within easy walking distance of our historic Market Square.

Just outside of town, tour a working dairy farm and climb a 100 foot silo observation tower at Kreider Farms, enjoy award-winning PA wines at Waltz Vineyards Estate Winery and experience the Pennsylvania Renaissance Faire. On Tuesdays, stop by Roots Country Market and Auction, the oldest single family run country market in Lancaster County. Manheim is also home to the Spooky Nook Sports, the largest indoor sports complex in the country.

Make your way to this historic small town for a getaway you'll be sure to remember!
